CIMdata
2019 Market Analysis Report Series
United States PLM Market Analysis Report

September 2019
# Table of Contents

About the CIMdata PLM Market Analysis Report Series .............................................. i
Table of Contents ........................................................................................................... iii
Index to Figures ............................................................................................................... iv
Index to Tables ................................................................................................................ v
Introduction .................................................................................................................... 1
Market Definition .......................................................................................................... 4
   PLM Solution Market Segments .................................................................................. 5
PLM Market Analysis ..................................................................................................... 6
   Measuring the PLM Market ....................................................................................... 6
   The Effect of Exchange Rates ................................................................................... 7
   Update on Mergers and Acquisitions (M&A) .......................................................... 8
   Measuring PLM Market Growth .............................................................................. 9
Forecast Assumptions .................................................................................................... 10
2018 PLM Market Review ............................................................................................ 12
   2018 PLM Market Results and Forecast .................................................................. 12
   2018 PLM Geographic Analysis ............................................................................. 14
   Additional CIMdata Comments on the Overall PLM Market .................................. 15
Analysis of the PLM Market for The United States ...................................................... 17
cPdm Segment of the United States PLM Market ......................................................... 22
Digital Manufacturing Segment of the United States PLM Market .............................. 23
SI/Reseller/VAR Segment of the United States PLM Market ....................................... 23
Tools Segment of the United States PLM Market ......................................................... 23
   Mechanical Computer-Aided Design (MCAD)—Results and Forecast .................. 24
   Non-Bundled CAM—Results and Forecast ............................................................. 25
   Simulation & Analysis—Results and Forecast ......................................................... 25
Solution Provider Analysis ........................................................................................... 25
   Top 10 PLM Providers in the United States ............................................................. 25
   Global PLM Mindshare Leaders .......................................................................... 26
   PLM SI/Reseller/VAR Providers .......................................................................... 28
cPdm Provider Analysis ............................................................................................. 28
   Digital Manufacturing Provider Analysis ............................................................. 29
   Tools Providers Analysis ......................................................................................... 29
PLM Market by Industry Analysis ................................................................................ 31
   Industry-Specific PLM Market Results .................................................................. 32
About CIMdata .............................................................................................................. 41
Index to Figures

Figure 1: CIMdata’s Product Innovation Platform Model ........................................... 2
Figure 2: PLM Market Sub-Sector Sizes (US$ Millions) ........................................... 3
Figure 3: PLM Market History and 5-Year Forecast .................................................. 4
Figure 4: PLM Market End-User Investments ......................................................... 12
Figure 5: PLM Market Sector Sizes (US$ Millions) .................................................. 13
Figure 6: PLM Market History and Forecast ............................................................ 14
Figure 7: PLM Geographic Revenues ................................................................. 14
Figure 8: Distribution of Revenue by PLM Segment ............................................... 21
Figure 9: PLM Market Segments Revenues—History and Forecasts ......................... 22
Figure 10: cPDm Revenue History and Forecasts ................................................... 22
Figure 11: Digital Manufacturing Revenue—History and Forecasts ......................... 23
Figure 12: SI/Reseller/VAR Revenue—History and Forecasts .................................. 23
Figure 13: MCAD-MD Revenue—History and Forecasts ........................................ 24
Figure 14: MCAD-DF Revenue—History and Forecasts ........................................ 24
Figure 15: Non-Bundled CAM Revenue—History and Forecasts ............................. 25
Figure 16: S&A Revenue—History and Forecasts .................................................... 25
Figure 17: Direct Revenue of Global PLM Mindshare Leaders by Market Segment ..... 27
Figure 18: Direct and Partner Revenue for Global PLM Mindshare Leaders ............. 28
Figure 19: Market Share and Revenue (US$ Millions) of SI/Reseller/VAR Providers ... 28
Figure 20: Market Share and Revenue (US$ Millions) of cPDm Solution Providers ... 29
Figure 21: Market Share and Revenue (US$ Millions) of Digital Manufacturing Providers .......................................................... 29
Figure 22: Market Share and Revenue (US$ Millions) of MCAD-MD Segment ..... 30
Figure 23: Market Share and Revenue (US$ Millions) of MCAD-DF Segment ..... 30
Figure 24: Market Share and Revenue (US$ Millions) of CAM Segment ................. 31
Figure 25: Market Share and Revenue (US$ Millions) of S&A Segment ................ 31
Figure 26: A&D Industry: Market Share and Revenue (US$ Millions) by PLM Segments ......................................................................................... 33
Figure 27: Auto & Transportation Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 33
Figure 28: Electronics/High-Tech/Semiconductor Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 34
Figure 29: Electro/Telecom/Satellite Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 34
Figure 30: Medical Devices Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 35
Figure 31: Mech. Mach/Heavy Equip Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 35
Figure 32: CPG/Other Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 35
Figure 33: F&A/Retail: Market Share and Revenue (US$ Millions) by PLM Segments... 36
Figure 34: Pharmaceuticals Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 37
Figure 35: F&B/CPG Industry: Market Share and Revenue (US$ Millions) by PLM Segments ................................................................. 37
Figure 36: Petrochemical Industry: Market Share and Revenue (US$ Millions) by PLM Segments .................................................................38
Figure 37: Utility Industry: Market Share and Revenue (US$ Millions) by PLM Segments ........................................................................38
Figure 38: Shipbuilding Industry: Market Share and Revenue (US$ Millions) by PLM Segments ........................................................................39
Figure 39: Construction Industry: Market Share and Revenue (US$ Millions) by PLM Segments ........................................................................39
Figure 40: Infrastructure Industry: Market Share and Revenue (US$ Millions) by PLM Segments ........................................................................40
Figure 41: Other Industry: Market Share and Revenue (US$ Millions) by PLM Segments ........................................................................40
